## **Cincinnati Solar Tour**

**Saturday Oct 6**

**8:30 am – 4:00 pm**

Green Energy Ohio announces its fifth-annual Solar Tour of energy saving systems and renewable energy installations across Ohio. Thirty different tours will be conducted statewide on Friday, Saturday and Sunday, Oct 5 -7. All tours are free and open to everyone.

Two Cincinnati Solar Tours will be held on Saturday, October 6. Both tours begin with a kickoff at Eden Park at 8:30 am. Following the kickoff, twelve sites demonstrating sustainable energy technologies will be open for tours. West side sites include solar electricity, solar assisted geothermal heating, solar hot water, sustainable building design and the largest landfill-gas to pipeline-gas operation in the world. East side sites offer solar electricity, residential and commercial energy efficiency, sustainable design, solar hot water, geothermal systems and one of the most efficient commercial buildings in the state.

To join the tour simply download a free tour guide with details of each site at [www.GreenEnergyOhio.org](http://www.GreenEnergyOhio.org) or just meet us at Eden Park on Oct 6.
